Category:		Estimated time:	4:00 hours
Target version:	0.0.7	Spent time:	2:00 hours
Description By default Almirah gem parses all documents from the "specifications" and "protocols" folders. However, in the case of test runs (one or multiple) this model shall be switched to parsing "specifications" and a single run from the "runs" folder to the the exact test results. Additional command line option shall be added.
