Almirah.Doc - Feature #56

Format Duplicate Ids on the Index page

03/15/2024 07:18 PM - Oleksandr Ivanov

Status:	Closed		**Start date:**	03/15/2024
Priority:	Normal		**Due date:**	03/15/2024
Assignee:	Oleksandr Ivanov		**% Done:**	100%
Category:			**Estimated time:**	0:00 hour
Target version:	0.1.2		**Spent time:**	1:00 hour

Description

Currently duplicate ids are shown as just a number of duplicates.
Moreover, the duplicate calculation algorithm has a defect.

It would be good to fix it and fill the index table cell in red in the case of duplicate.
In addition to that, for the case when more that one duplicate I would like to be able to press the number of duplicates and see the full list of duplicated numbers (like a downstream links expanding).
